

Hand Sanitizer

Premium Hand Sanitizer with Moisturizer

Product Description Falcon Hand Sanitizer is an 80% v/v solution of ethyl alcohol intended for use as a hand sanitizer and antiseptic. Product is formulated using FDA, USP, and WHO recommended formulations and guidelines. Falcon is manufacturing this product with the FDA’s Temporary Approval for Compound Blending of Hand Sanitizing Products During the COVID-19 Public Health Emergency. This product is safe for topical use on hands.

According to FDA guidelines, this product is effective at killing viruses that are genetically related to, and with similar physical properties, as the COVID-19 virus. This product is also effective at killing other germs, bacteria and viruses in 15-30 seconds.

Based on World Health Organization recommendations, this product does not contain any thickeners, dyes, fragrances, or other ingredients than those listed in the Drug Facts. This is to ensure maximum effectiveness at eliminating bacteria, viruses and germs.
