Terms & Conditions

PLACING AN ORDER

Please contact your broker or sales representative to place an order with Malmborg's. Please allow an 8-week lead-time for propagation, except when ordering from availability.

MINIMUM ORDER

Our minimum order is 12 strips of Vegetative Annuals and/or Combos per shipment *or* 8 strips of Regal Geraniums and/or Grasses per shipment. If these products are combined, the minimum order would be 6 strips of Vegetative Annuals/Combos *and* 4 strips of Regal Geraniums/Grasses. If ordering only Assortment Trays, the minimum order would be 4 Assortment Trays. There is a \$25 additional charge for any order under minimum. See 'PACKAGING' below for quantities of plants per box.

REVISIONS & CANCELLATIONS

Order revisions or cancellations will be accepted no less than eight weeks prior to the scheduled ship date.

Brokers who revise or change orders within eight weeks of shipment will be expected to resell or otherwise dispose of the product at their cost.

ORDERING DEADLINES

New orders or additions to orders shipping by FedEx, Speedee, Air Freight, or Co-op Delivery must be received by Friday at noon (Central time) of the prior week.

New orders or additions to orders being picked-up by customers on Friday must be received by Tuesday at noon (Central time) of the pick-up week.

CLAIMS

Order acknowledgments will be provided for each order booked and must be reviewed by the broker for accuracy. Malmborg's will not accept liability for error on any order or portion of an order shipped as acknowledged.

Any shipping claims must be filed with the broker and reported in writing to Malmborg's within 48 hours of receipt of the shipment. All quality claims must be filed with the broker and reported to Malmborg's in writing within 14 days of receipt of the shipment.

Please email or fax claims to:
malmborgs@geraniumsbygeorge.com
(763) 428-8408 Attn: Claims

To speak with one of our growers, please call
(763) 428-2061 ext. 223.

LABELS

Unless requested otherwise, we will provide one label for each plant purchased, whether or not the plant is patented. You can limit the number of labels on an order; please provide instructions with your order. The minimum ratio for patented varieties is 1 label for every 5 plants (in multiples of 25 labels) and zero for non-patented varieties.

The label is included in the price. If requesting a reduction in labels, the label cost will then be deducted from the invoice at a rate of \$.035 per label.

VOLUME PRICING

Volume discounts are based on the quantity of plants shipped to each customer/broker (Ship-to) for the entire **prior** liner season (Spring liners, Mums, and Asters are included).

Number of Plants	Discount Percentage
Less than 3,000	Volume 1 – Regular Price
3,000 to 9,999	Volume 2 – apprx. 4%
10,000 to 29,999	Volume 3 – apprx. 7%
30,000 to 74,999	Volume 4 – apprx. 10%
75,000 to 199,000	Volume 5 – apprx. 12.5%
200,000 to 499,999	Volume 6 – apprx. 15%
500,000 and more	Volume 7 – apprx. 20%

These discounts do not apply to freight or winter pack box charges.

RECEIVABLE TERMS

Our terms are Net 30 days from our invoice date. A service charge of 1.5% per month (18%APR) is applied to all past due accounts. Invoices may be paid by cash, check or credit card. If payment is made by credit card within 10 days there will be no convenience fee. If payment is made with a credit card within 30 days there will be a 2% convenience fee.

PACKAGING

Preforma 26 strip is sold as 25. They are shipped in multiples of 100 (4 strips). The packaging setup allows us to put either 100, 200, or 300 in a box. That determination will depend on the product size at shipping time. Most products in the Preforma 26 strip will be shipped 300 in a box.

A minimum order will be 300 plants (12 strips) if only the Preforma 26 strip is ordered. Once 300 plants are ordered, then the increments will be every 100 plants for even boxing for shipping. Please remember that for customers either picking up product or having it delivered by Malmborg's/Wagner's, those orders do not have to be multiples of 100.

Combination plugs are in a larger Preforma plug in multiples of 17 per strip. This 17 strip has the same width and length as the Preforma 26 strip mentioned above. These 17 strips can be packaged with the Preforma 26 strip.

Ellepot 18 (Regal Geraniums & Dipladenia) and 24 strips (Grasses & Spikes) are 1/2 the width of a standard tray. Both Ellepot 18 and 24 strips are shipped in multiples of 4 strips. Each box contains 4 strips. These cannot be combined in boxes with the Preforma 26 strip or the Kwik Kombo 17 strip. A minimum order of only these strips would be 8 strips to fill two boxes. For even boxing for freight, orders must have increments of four strips of these items.

Assortment trays are true size plants and will ship two per box. This tray uses the same box as Ellepot 18 and 24 strips. A single assortment tray can be combined with two Ellepot 18 strips or two 24 strips to fill a box.

What would be a minimum order when combining different trays? If you have four trays of either the 18 Ellepot or 24 trays, then you would need 8 strips (200 plants) of the Preforma 26.

See pages 3 & 4 for more information on packaging.

SHIPPING

Shipping instructions must be submitted with your order. Malmborg's will not be held responsible for damage caused to plants during transit.

There is a winter pack (Styrofoam lining of box) charge of \$6.50 per box for shipments that require cold protection. This will occur from week 1 through approximately week 13 for those orders that are shipped either FedEx, Speedee Delivery, or Air.

Airline shipments are made collect to the customer via select carriers only - Delta, Alaska, and Southwest. FedEx shipments are shipped second day unless requested otherwise. Speedee Delivery is available for the local region - twin city area and 5-state area.

Pick up orders must be scheduled in advance with Malmborg's Shipping Department. Post cards or emails with pick up dates will be sent a week in advance. Contact Malmborg's Shipping Department at (763) 428-2061 ext. 235 for date changes.

WARRANTY/LIABILITY

Malmborg's warrants that the plants are viable. There are no additional warranties, either expressed or implied. Malmborg's liability is limited to the purchase price of the plants.

PLANT PATENT PROTECTION

Propagation of patented plant varieties is prohibited without a license.
